Gauge and Size

While gauge is not extremely necessary for this projects, if you would like to make a swatch 8 rows of 12 hdc = 4x4 inches.

Extra Tips

3"-4.5" wide for skinny scarf
5"-8" wide for winter scarf

Scarves

Size	Measurements
3-5 Years	36"
5-7 Years	44"
8-10 Years	50"
Preteen	57"
Small Women	64"
Medium Women	68"
Large Women	69"
Small Man	67"
Medium Man	70"
Large Man	75"

You may choose to begin your rows differently than the instructions.

Some people prefer to chain one and make the first hdc into the top of the final stitch from the previous row instead of using a ch 2 to count as the first hdc. This gives you a cleaner edge and can help you keep track of your stitches.

You can also use dc instead of hdc if you would like for your scarf to have a looser draped feel or sc if you would like for your scarf to have a stiffer feel.

You may choose to weave in your ends as you go or leave them all to the end when you finish up your work.

Stitches Used

Chain and half double crochet.

Abbreviations

Ch = chain, hdc = half double crochet

Instructions

Foundation Chain and Row 1: With A ch 31, hdc into third ch from hook

and each remaining ch, turn. (30 hdc)

Row 2: Ch 2 (counts as first hdc here and throughout), hdc across, turn.

(30 hdc)

Repeat Row 2, changing colors after every twelve rows, until your scarf reaches the desired length. After the last stitch, finish off and weave in all your ends.

Tassels: Using six strands of yarn cut in lengths of twelve inches each, attach seven evenly spaced tassels in alternating colors at either end of the scarf.
